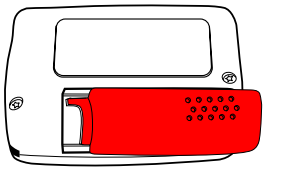
Getting Started

Battery Information

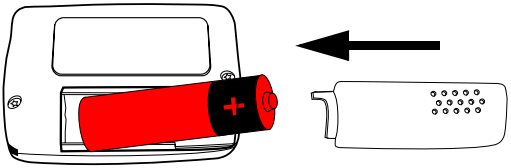
Your pager uses one AAA-size alkaline battery (do not use carbon zinc batteries). If is displayed, the battery is low. Replace the battery.

Installing/Replacing the Battery

Note: You only have two minutes to replace the old battery with the new battery. Otherwise, you may lose all saved settings and pages.



Remove cover



Remove old battery and insert new battery. Replace cover.

Caution! You must match the (+) and (-) polarity markings. If you insert the battery backwards, your pager settings (time, date, etc.) will be erased.

Turning Your Pager On

Press	To Display	Description
▬	Status Screen 	The Status screen displays the date and time and other status indicators.

Turning Your Pager Off

Press	To Display	Then Press
●	PAGER OFF	►
